

NOMINATIONS BEING ACCEPTED FOR OUTSTANDING STUDENTS OF WEST OAKLAND COUNTY

The Spinal Column Newsweekly is looking for West Oakland County students deserving special recognition.

Do you know of a student age Kindergarten through High School, who has done something special for their community? For instance:

- Do they donate their time and effort to help someone else?
- Do they work hard to excel at something? (School, music, sports, etc.)
- Do they go above and beyond to reach out to another, or extend themselves in some other way?

If you think that a student deserves special recognition, tell us why. The winners will be featured in the first annual edition of "The Yearbook," a special section of the Spinal Column Newsweekly being published and distributed on Wednesday, June 6, 2012. The Spinal Column Newsweekly is locally owned and operated with the largest distribution of any newspaper in the Lakes area.

In addition to being featured in a story, the first place prize winner will receive: A limousine ride (compliments of Blue Diamond Limousine of Wixom) to a fabulous dinner, compliments of The Root Restaurant in White Lake for the student and 4 guests of their choice.

The six top runners up will receive \$20.00 gift certificates donated by Papa Romanos of Richardson Rd., Commerce, Happy's Pizza, Marco's Pizza of Highland and Windmill Market. Winners will be chosen by a panel of local senior citizens.
